

THURSDAY - 9 February 1950

1. Discussed with Mr. Barber and Mr. Wright of the Bureau of the Budget the question of repeal or amendment of Section 9 of Public Law 110. They are taking under advisement the best means by which this problem can be approached prior to a formal submission on our part.

2. Meeting between [REDACTED] and Mr. Houston and myself, regarding possible utilization of regular Military personnel on a "Resigned" status for activities abroad. Explained the legal implications which might mitigate against such utilization.

25X1A

3. Meeting between [REDACTED] Mr. Houston and myself in order to improve reporting of Congressional information to this Office by the Budget Officer. He was informed that any and all such information should be reported to this Office immediately in full.
